SATELLITE SYMPOSIUM

ICSJS 2019 / ISASS 19
Anaheim, California
April 2nd, 2019

Dear Exhibitor:

It is our pleasure to provide you with the Exhibit Prospectus and invite your company's participation in the 4th International Conference on Sacroiliac Joint Surgery (ICSJS 2019) to be held April 2nd, 2019, at the Convention Centre of the Hilton, Anaheim, CA, USA. The conference is a satellite symposium adjacent to ISASS19, April 3rd – 5th.

The Conference will allow ample opportunity to enjoy one-on-one time with physicians, network with established customers, and develop new customer relationships.

Purpose of the Exhibits

The exhibits are an extension of the conference continuing education program. This means of communication is an educational service to meeting registrants and provides useful information about developments, products and services related to their interests and responsibilities.

Eligibility for Exhibiting

Products or services displayed must further the purpose of the meeting and Exhibit Program and provide an atmosphere conducive to exchanging information relevant to the clinical content of the conference. Products or services must be related to the clinical content of the conference and relevant to private practice, hospitals, institutions or other health related facilities.

Exhibit Location

ICSJS 2019 is located in the Anaheim Hilton, California Ballroom A. SIMEG's priority intention is to educate. Our philosophy is to include you as a medical device manufacturer in our education of sacroiliac joint surgical and nonsurgical treatment. Therefore this meeting is not CME awarded and the exhibition area as well as dining area is within the lecture hall. This enables you a permanent presence and attendance of the lectures. Also you will have the opportunity to spend time with your clients during the 'Get Together' meeting after the conference.

Exhibit Space Rental

We keep it simple. One size/one price: 6' table top exhibition space can be rented at a fair price. You may rent up to three spaces.

Exhibiting schedule Tentative Schedule

Tuesday, April 2nd, 2019 5:30 pm - 6:00 pm <i>Set up</i>	

If you have already planned to attend the ISASS19, we invite you to extend your exhibition time to our meeting, join the symposium and present your technology. On the other hand, if you want to prioritize our meeting, you might make this your main exhibition and perhaps extend it to ISASS to get in touch with international spinal surgeons.
