

Dear Exhibitor:

It is our pleasure to provide you with the Exhibit Prospectus and invite your company's participation in the 4th International Conference on Sacroiliac Joint Surgery (ICSJS 2019) to be held May 15th – 16th at the Dorint Hotel in Hamburg/Germany.

The Conference will allow ample opportunity to enjoy one-on-one time with physicians, network with established customers, and develop new customer relationships.

Purpose of the Exhibits

The exhibits are an extension of the conference continuing education program. This means of communication is an educational service to meeting registrants and provides useful information about developments, products and services related to their interests and responsibilities.

Eligibility for Exhibiting

Products or services displayed must further the purpose of the meeting and Exhibit Program and provide an atmosphere conducive to exchanging information relevant to the clinical content of the conference. Products or services must be related to the clinical content of the conference and relevant to private practice, hospitals, institutions or other health related facilities.

Exhibit Location

SIMEG's priority intention is to educate. Our philosophy is to include you as a medical device manufacturer in our education of sacroiliac joint surgical and nonsurgical treatment. Therefore the exhibition area as well as dining area is within or next to the lecture hall. This enables you a permanent presence and attendance of the lectures. Also you will have the opportunity to spend time with your clients during the 'Get Together' meeting after the conference.
